Nature of Contract:

Since 1997, the Department of Aging and Adult Services (DAAS) has had the responsibility to administer community based programs such as the Alzheimer's Day Care and Brown Bag (disbursement of surplus and donated food) programs. Prior to 1997, these programs were administered by the California Department of Aging (CDA), but in order to allow for local need assessment and better service delivery, responsibility was delegated to the County. In 1998, due to the success of the administration of the above referenced local programs, the Linkages (matching/linking clients to required services), Respite, Senior Companion, and Health Insurance Counseling and Advocacy Programs were also delegated to the County. As of 1998, the County has received funding for these programs annually.

In FY 02/03, through contracted and direct services, DAAS served approximately 2,178 seniors; however, this number will be reduced by approximately 470 seniors in FY 03/04 due to the reduction in funding of \$135,303 for a total contract amount of \$586,029. Funding has been renewed annually based on DAAS' satisfactory performance and meeting program goals. This contract will enable the County to accept funding and provide community-based services from July 1, 2003, through June 30, 2004.
